

## Handz and Feet Dance Workshops

Children from Nursery to Year Two took part in a dance workshop with Pete from Nebula Artistic. Using the Stomp hands and feet idea of 'body percussion' he taught Stomp style dance routines that varied in complexity and length depending on the age group involved. The technique involved clapping and stamping as its basis, and incorporated dance movements from Street Dance to Ballet.

# Wow!

The magic wands have been busy delivering exciting new learning challenges to children in Reception, Year One and Year Two.

The children in Year Two followed clues to the bottom of the playground to find somewhere icy and cold...they opened a door and found an igloo, with polar friends for company.

Year One children were amazed by the different environments that had magically appeared around school ...they went to an undersea world and ended up on a ship captained by James Cook.

The children in Reception received a letter asking them to put some wellies on... they walked through swishy swashy grass, They waded through a deep cold river , squelched through oozy mud , stumbled through a dark forest, shivered in a swirling, whirling snowstorm before finding a dark cave with a huge bear inside!
