

What is the impact of the funding for Physical Education in our school?

2014 -15

After collating feedback from the audit, you told us that you would like...	How will we do it?	Impact?	Cost?
<p>To develop your own subject knowledge in the delivery of dance</p> <p>Current staff - to continue the work with Attik Dance due to positive impact on progress across all areas of the curriculum with children last year</p>	<p>Teachers to work alongside a dance professional (Attik dance company)</p> <p>Over the period of 3 months</p> <p>Teachers to receive staff training from professionals</p>	<p>Teachers worked alongside professionals which enabled a long term impact on the delivery of dance across the whole school. Staff training sessions enabled the continued professional development for all staff within PE.</p> <p>Impact measured after Spring Term resulted in further use of Ben from Attik Dance</p> <p>There was notable impact on children's confidence which was applied not only during dance lessons but also within the classroom.</p> <p>Children choreographed their own dances and used their bodies to</p>	<p>£1800</p> <p>£1800</p>

		<p>express themselves in different ways.</p> <p>-This ensured that children's confidence/ self esteem continued to increase alongside their physical ability.</p> <p>Parents provided extremely positive feedback about their children's experiences.</p>	
<p>Subject Leader to enable all children , in particular those who need additional support with physical education, to develop a love for physical education/ health and well being</p>	<p>Subject leader to meet with Kate Portdage(Healthy school coordinator)</p> <p>Attend Healthy schools conference in Wadebridge with a small group of children and identify the importance of Physical Literacy on our bodies as a whole.</p>	<p>Children gained a greater understanding of the importance of their health and well being and they shared this with the remainder of the school.</p> <p>Children across the school could talk confidently about the importance of a healthy lifestyle. This was also evident within changes in responses in PSHE questionnaire.</p>	<p>£121.99 - mini bus cover</p>
<p>Deliver outstanding physical education lessons</p>	<p>Subject Leader will be given time out of class to observe physical education</p>	<p>Children received Physical Education lessons that were often Outstanding and were</p>	<p>£150 class cover</p>

	lessons. Feedback will be linked to subject specific Ofsted guidance	never less than good. Individual feedback forms are evidence of this.	
To develop knowledge of how to set up and deliver an effective 'outdoor classroom' within our curriculum.	Olivia Jones to attend Wild Tribe Outdoor Learning Practitioner course	Olivia received an outdoor learning practitioner award and she shared what she had learnt with all members of staff within school. This is now being rolled out across the school with every class participating in outdoor learning sessions on a daily basis.	£215
To develop links and partnerships with schools	To become SLA members of Arena	<ul style="list-style-type: none"> • Extensive CPD opportunities - going the extra mile - PE conference • Links with local schools developed 	£275
To ensure children who are not provided with PD opportunities outside of school / not as physically active as encouraged to develop a love for physical education.	To train three members of staff to run an energy club Club to run during lunchtimes	Particular groups of children have been targeted to develop their love for physical activity. There has been a notable impact on their love and engagement within physical activity and their understanding of the importance	£50

		of this in enabling them to live a healthy lifestyle.	
To improve children's ability to evaluate their performances/ sporting activities and therefore make progress within sequences of lessons. Summer Term - to continue use in 2015/16	Each class within the school to have their own video recorder which will specifically be used within PE lessons for children to evaluate their performances.	Children will be able to evaluate their work confidently and therefore improve their work, making excellent progress. Impact forms provided.	£2495
