As always members of the community were extremely complimentary about our children and how well they sing... and behave. *(Thank you to Andy Campfield for the photographs)*

- All children to enter school through the nursery gate
- * Robins and Woodpeckers to enter school through side gate in the car park to enter the Robin's playground and door.
- All other children to be brought to the back playground where they will be met by a member of staff in their allocated room for the evening performances (see signs on the evening and map below).
All classes are allocated a classroom in the main building. No 'outside' classrooms will be open.
- Parents who are watching that evening's performance should enter the hall from the entrance opposite the Nursery. It is important that you **bring your ticket with you**.
- At the end of the performance, children can be collected once again at the rear playground from their allocated classrooms. (If someone else is collecting your child please inform the class teacher the day of the performance).
- The performance will end at approximately 7.15 pm.
- Children who have performed on the Thursday evening can arrive in school on the Friday up to 10.00 am without receiving a late mark.
- If your child is ill on the day of the performance please could you return the tickets to the office so that they can be re-allocated according to the waiting list.

Please can we ask parents/carers to refrain from taking photographs or videoing children - We take a photograph of each child in their costume and take still photographs from our video to enable you, as parents to have photographs, without children been distracted by cameras. This also protects those children who cannot have their photographs shared publically.

For the shows to run properly we need all children to come back for both evening performances even if you are not watching on a particular night... we still need your child! Thank you.
