

We love being in Year 2 and we have learnt so much already!

Look at what we have been learning!

We have found out all about our class animals and have even written our own non-fiction books using headings, facts and joining words.

We can use adjectives to describe different places and things and make our writing more interesting.

We can use the 'more than' and 'less than' signs to show which is the biggest number and can explain why.

We have learnt to partition numbers in different ways and can show how they are made up of tens and ones.

We went outside in the nature area to create pictures of our class animal using a range of natural materials.

We have practiced our skills of throwing and catching with accuracy and control. We have applied our skills in a range of team games, including benchball.

We can use a range of instruments to create a soundtrack to a video of our class animal.

We have created incredible class animal pictures using a range of painting techniques and printing.

We have found out all about food chains and can use the correct vocabulary such as 'producer' and 'consumer.'

We have thought about what is special to us and makes us happy. We have shared special things about our families and how we are all different.

Fe Fi Fo Fum... Watch out everyone... Here I come!!

We are learning all about Jack and the Beanstalk...

We were so excited to find out about our new learning. We have started to write super recounts about our magical day...

One morning we were shocked when we discovered a massive beanstalk near our classroom door!

We saw fluffy, white clouds so we snuck gently through them. Our hearts were pumping quickly when I heard the Giant's loud snore!

We followed the huge, tall beanstalk but we had to tiptoe quietly. Do you know what we unearthed at the end of the beanstalk?

How much water and light do plants need?

Why was the Giant feeling so cross?

Finally we entered the Giant's magnificent castle and spotted the golden egg, enchanted harp and the Giant's colossal boots!

Who are the Grimm brothers and what was their job?

Are there any castles near Torpoint?
