

## We have continued to enjoy our learning adventure in Year 1, look at what we have been up to...

In maths we have been learning how to take away by using a range of methods including a number line.

In English we have been exploring questions, the suffix ed and using capital letters for names.

We have looked at different artefacts and sequenced the items on timelines starting with the past and ordering to the present.

In computing we have been using QR codes to retrieve information and sequenced the instructions to help others know how to use QR codes.

We have been learning new skills in gymnastics and applied them into a simple sequence. We have evaluated our PE with 2 stars and a wish.

We have been thinking about the quality of a good friend and how we can repair friendships.

In art we have been using a range of media to create different fictional bears such as Winnie the Pooh.

We went on an Autumn walk and spotted lots of different signs. We explored deciduous and evergreen trees further in the classroom.

We have listened to a range of music. We thought about what it reminds us of and described the mood of the music.

## We have also been learning about Christmas...

We used fantastic expression in our Christmas show!

We learnt the story of the nativity and found out about different Christmas traditions.

We learnt about Christingle and thought about what we are thankful for.

We designed and created our own moving Christmas card!

We were so excited to see Father Christmas on the bus, we sang Christmas songs to spread some cheer.

We raised money by wearing our Christmas jumpers and even designed our own.

We have understood that Advent is a Christian celebration that counts down to Jesus' Birthday.

## In the New Year we will be...

Continuing to use our phonics to read real and alien words.

Developing our understanding of Christmas by learning about Epiphany.

We will be exploring the 7 continents and finding out where bears live.

Creating our own Winter learning wishes.

Learning new dances in PE and performing them to each other.
