

# We have had a fantastic time at Torpoint Nursery and Infant School and we have achieved so much...

We wrote a diary of our trip to The Lawns. We included exciting vocabulary, joining words and a range of punctuation.

We can find, name and write  $\frac{1}{2}$ ,  $\frac{1}{4}$  and  $\frac{3}{4}$  of objects and quantities.

We took part in a range of activities that helped us to understand how to keep our minds and bodies healthy.

We can tell the time to the nearest 5 minute intervals. We know that an hour is 60 minutes and a day is 24 hours.

We celebrated our time at Torpoint Nursery and Infant School with a day of games, picnics and excitement.

We shared our wishes and pledges to make our world a better, safer and happier place.

We listened to The Storm by Benjamin Britten and described some of the pictures and images that it created in our imaginations.

We practiced the skills, applied the rules to play a tennis match, and took part in a class tournament.

# Country Dance Day

We practiced and rehearsed our dances each day to make sure they were perfect!

You can tell by all of our smiley faces how much fun we had!

We were disappointed that we couldn't invite our families into school to see our amazing dancing but we hope you enjoyed the videos.
