

We have had a fantastic start to our year so far, we have been very busy...
Our learning has included finding out all about the nursery environment,
learning about the nursery expectations and making lots of new friends!

We have been learning how to share toys and take turns.

We are learning to be independent, by pouring our own drink and selecting our own snack. We are also getting used to lunchtime routines.

We are learning how to be kind and helpful to each another.

When we sit on the carpet we have learnt how to listen carefully to each other.

We are also learning to select activities independently or to work with an adult when we are asked to.

We know that when we have had a lovely time playing in our nursery we also have to help to tidy the toys away at the end of the session.

We are choosing books to take home every day and talking about the stories we have read with our families.

We have also been learning about the Autumn.....

We have gone on an Autumn walk to identify some of the changes during the seasons.

We have learnt to use the autumnal objects to print with and make displays to represent this season.

We are developing our understanding about the world by growing plants and vegetables

We have used pine cones and conkers to sort, compare sizes, and we have counted objects. We have also explored basic shapes to create pictures.

We have enjoyed exploring our outside learning environment, playing imaginatively with others.

We have been learning to use one handed tools such as pencils and scissors

Next we will be...

Exploring new language and extending our vocabulary through a topic based on nursery rhymes'.

Continuing to learn about numbers, focusing on counting accurately on a one to one basis, first to 5 and then to 10 and above whilst gaining a greater knowledge of number values to 10.

Writing our own name, focusing on using the correct letter formations whilst holding a pencil in a secure pincer grip.

You can help me by: Providing me with a coat everyday now that the weather is getting colder and encouraging me to put it on independently.
